Ann,
Please confirm we still have security at the store as mentioned below. Last time we all spoke you still did have them there.

Travis, where are we on working with HO for contracted security.

Importance: High

Good afternoon,

I just received information that Troy Williams has made bond. If there is no LE onsite, I suggest partnering with them and have someone present for a few days. Additionally, please make sure all Management is aware he has posted bond, and provide them with the photo below in case he attempts to come back to the store.

Please let me know if you have any questions.

Thank you,
